## TENNIS LESSON PRICE ADJUSTMENTS

EFFECTIVE JANUARY 1<sup>ST</sup> 2014

Dear all,

As of January 1<sup>st</sup> 2014, Savitar's tennis lesson pricing will be adjusted. While the pricing for one-on-one private lessons will increase, a second player may share the lesson for no additional charge. Also, for three or four players sharing a private group lesson the prices will largely remain the same, or decrease (as in the case of four players sharing). It is hoped that this will encourage private group lessons, allowing more players to maximize limited court time and reduce the waiting list. The pricing of Adult Clinics and Ladies Team Training will also be adjusted and made more consistent as noted below. Junior program pricing will remain unchanged.

Thank you very much for your understanding. We will continue to improve our service standards (and hopefully your tennis game!) and look forward to seeing you on the court in 2014.

See revised price table below for **Private Lessons** and **Private Group Lessons**:

# of Players	Director of Tennis	Total	Head Professional	Total
1 player	\$95.00	\$95.00	\$85.00	\$85.00
