SCHEDULE 2016/17:

The Junior Group programme runs Monday to Saturday with various days and times based on age and level. The year is broken up into 4 seasons with an additional week left open in case of rain, as a make up.

ELIGIBILITY:

Savitar Tennis Centre is open to the public.

LEVELS:

Following the International Tennis Federation (ITF) guidelines we use the correct coloured low compression ball and court size based on age and ability. Within the stages of coloured balls we offer progressive levels from development to performance. It is important to get the level of groups correct to ensure all players are training with a similar ability so please use the colour stages and levels as a guide to register. Coaches will also assess on the first day. Please [click here](#) for a detailed description.

COACHING TEAM:

The programme is run by the Savitar Tennis Centre Coaching Team, comprising of Director of Tennis Frank Bruinsma, Head Professionals Adam Branks, Amit Baghel, Tennis Professional Dian Mayasari and Goran Ahlstrand.

COACHING CONTENT:

Our coaching programme emphasizes developing all areas of the game – technical, tactical, physical and mental, whilst building and enhancing players' love of the sport and sportsmanship.

FEEDBACK:

At the end of each season, every player will receive a feedback card based on the colour stage and level they are in with feedback from the coaches to help ensure players and parents are kept informed of players' progress. Coaches may also recommend a change in level for the next season.

COST:

\$30 (incl GST) per hour. Players are invoiced based on a full season. We are able to pro rata if you start mid season. Make ups are offered only if sessions are rained off.

RATIO:

6-1 student/coach. (Players will be split into sub-groups based on age and ability).
